SEC. W5a CHARGES FOR SERVICE PIPE

New service pipes shall be installed by .or on behalf of. the property owner from the distribution main to the property to be served. The charges for service taps of the several sizes shall be determined by the Water Bureau for each calendar year and, in determining the charges, said Bureau shall give consideration to actual costs of service taps of the several sizes constructed in recent years and to the estimated cost of making such taps in the ensuing calendar year, and such charges shall be reported to the District Board at the next meeting thereof. Old service pipes that break between the main and street line shall be repaired or replaced by the District at no charge to the property owner. Old service pipes that are inadequate due to corrosion and clogging shall be replaced or relined by the District between the main and street line, at no charge to the property owner, provided the property owner has already renewed his service from the street line to the building, and the District determines, through flow tests or other means, that the service is still inadequate.

STATEMENT OF PURPOSE OF REVISION TO W5a: To update the MDC Water Ordinances in order to implement a Water Service Installation Program.

All interested parties from The Metropolitan District's member municipalities may appear to be heard.

John S. Mirtle, Esq.
District Clerk
