MDC WARNS OF SUSPECTED IMPOSTER

April 10, 2015
For Immediate Release

HARTFORD -- The Metropolitan District Commission (MDC) is advising customers to be cautious of one or more individuals posing as water company employees in an attempt to collect payment for water bills.

On Friday, April 10, 2015, someone claiming to be from the MDC attempted to collect payment at a Hartford residence, informing the resident that previous payments had been returned, and the individual needed to make payment immediately to avoid water service interruption.

The MDC urges all customers to be aware that these individuals do not represent the MDC. In fact, the MDC does not take payments in person at residences in any event.

As a general rule, the MDC urges all residents, especially those who are home during the day, to be alert for imposters by following these tips:

- MDC field employees wear clothing and drive vehicles clearly marked with the **MDC** logo.
- If someone comes to your door claiming to be from the water company and *you do not have a previously scheduled appointment*, **do not** allow access to your home until calling the MDC Command Center at 860-278-7850 ext 3600 to verify their identity.
- If you have any doubt about the individual's identity or motives, or authenticity of their credentials, do not allow them entry into your home and call the police.

About the MDC: *The MDC is a nonprofit municipal corporation chartered by the Connecticut General Assembly in 1929. The MDC provides water, sewer and household hazardous waste collection services to its member municipalities: Bloomfield, East Hartford, Hartford, Newington, Rocky Hill, West Hartford, Wethersfield and Windsor. In addition, under a series of special agreements, the District supplies treated water to portions of Glastonbury, South Windsor, Farmington, East Granby, and Portland.*
