MDC'S LAKE MCDONOUGH WEST BEACH TO BE CLOSED THIS SUMMER

For Immediate Release
May 24, 2016

(HARTFORD, CT) – Due to a lack of qualified applicants for lifeguard positions, the Metropolitan District's (MDC's) West Beach at Lake McDonough will not be open for recreation this summer. The East Beach will remain open for our recreational users. Users should be aware that on busy holiday weekends, the area will fill to capacity more quickly without use of the West Beach.

While the MDC regrets any inconvenience this will cause, this action is necessary to ensure the safety and security of all of our recreational users.

For more information, visit the MDC website at www.themdc.com.

About the MDC: *The MDC is a nonprofit municipal corporation chartered by the Connecticut General Assembly in 1929. The MDC provides water, sewer and household hazardous waste collection services to its member municipalities: Bloomfield, East Hartford, Hartford, Newington, Rocky Hill, West Hartford, Wethersfield, and Windsor and treated water to portions of Glastonbury, South Windsor, Farmington, East Granby, Unionville and Portland.*
