**COMMITTEE ON REVENUES
ECONOMIC DEVELOPMENT RATE**

January 8, 2020

Voted: That the Committee on Revenue recommends to the District Board the following:

Resolved: That the District Board approve the following economic development rates for the water used charge (§ W1a) and special sewer service charge (§ S12x)

SEC. W1a WATER USED CHARGE (TREATED WATER)

For customers which do not resell treated water, the WATER USED CHARGE is the quantity of water used as read at the meter, as follows:

<u>BILLS RENDERED</u> <u>MONTHLY</u>	<u>RATE</u> \$3.97 per 100 Cubic Feet
-----------------------------------------	------------------------------------------

The WATER USED CHARGE for such customers subject to § S12x of The Metropolitan District Sewer Ordinances who purchase more than _____ of water per day, as averaged over a monthly billing period, as follows:

For each of the first _____ ccf of water used per day:

<u>BILLS RENDERED</u> <u>MONTHLY</u>	<u>RATE</u> \$3.97 per 100 Cubic Feet
-----------------------------------------	------------------------------------------

For each ccf of water used per day in excess of _____ ccf:

<u>BILLS RENDERED</u> <u>MONTHLY</u>	<u>RATE</u> \$3.18 per 100 Cubic Feet
-----------------------------------------	------------------------------------------

For customers which, by agreement with the District or otherwise, resell treated water, the WATER USED CHARGE is the quantity of water used as read at the meter, as follows:

<u>BILLS RENDERED</u> <u>MONTHLY</u>	<u>RATE</u> \$3.97 per 100 Cubic Feet
-----------------------------------------	------------------------------------------

SEC. S12x SPECIAL SEWER SERVICE CHARGE FOR CAPITAL IMPROVEMENTS TO THE SEWERAGE SYSTEM

c.) Customers subject to the provisions of this Section12x, other than customers subject to Subsection S12x(b) above, shall be subject to the special sewer service charge as follows: 1) for the first _____ hundred cubic feet of water consumed from a single water meter per month, the special sewer service charge shall be assessed at the rate established by The Metropolitan District against each one hundred cubic feet of water consumed; and 2) for all water consumed in excess of _____ hundred cubic feet per month from a single water meter, the special sewer service charge shall be assessed at such rate against each one hundred cubic feet of sewer flow generated by the water used in excess of _____hundred cubic feet per month metered at a location approved by the Metropolitan District. This excess sewer flow shall be calculated via the proportion of sewage discharged to water consumed for the month, with this proportion applied to the volume of water consumed in excess of _____ hundred cubic feet per month and billed pursuant to Section S12f. The special sewer service charge assessed pursuant to this subsection shall be billed monthly.

Respectfully submitted,

Scott W. Jellison
Chief Executive Officer
