# G-8h RATIFICATION OF UNAUTHORIZED COMMITMENTS

## PART 8h, GENERAL ORDINANCES

<u>Section</u>	<u>Section Title</u>
G8h	Ratification of Unauthorized Commitments

### SEC. G8h RATIFICATION OF UNAUTHORIZED COMMITMENTS

Pursuant to the authority granted to the District under Section 2-13 of the Compiled Charter of The Metropolitan District, and upon determination by the Chief Executive Officer or his or her designee that certain circumstances warrant, the District shall be allowed to ratify an Unauthorized Commitment ("UC") (as hereinafter defined).

A UC is an "agreement that is not binding solely because the District employee or representative who made it lacked the authority to enter into that agreement on behalf of the District." "Ratification" is defined as the "process by which a UC is formalized, approved and paid." The "ratifying official" as used herein shall mean the Director of Procurement, or another District employee at the same or higher level thereof as designated by the District CEO to be the ratifying official with the authority as delegated by such CEO to ratify a UC.

Ratification of a UC shall only occur when utilizing the following procedure and meeting all of the conditions thereunder:

1. Supplies or services have been provided to and accepted by the District, or the District otherwise obtained or will obtain a benefit resulting from performance of the UC;
2. The ratifying official has the authority to enter into a contractual commitment;
3. The resulting contract would otherwise have been proper if made by authorized District personnel consistent with District ordinances, by-laws, procedures and signing authorizations;
4. The ratifying official reviewing the UC determines the price to be fair and reasonable;
5. The ratifying official recommends ratification and legal counsel concurs with that recommendation;
6. Funds are available and were available at the time the UC was made; and

7. The ratification is in accordance with any other limitations prescribed under District ordinances, by-laws, procedures and signing authorizations.

Failure to meet any of the above requirements will result in a non-ratifiable UC. The appropriate disciplinary action, if any, will be taken against the District personnel who entered into such UC irrespective of whether a UC is ratified or not. A decision not to ratify an UC may not result in unjust enrichment to the District.

The Director of Procurement shall establish specific implementation protocols in order to implement the above Ratification of Unauthorized Commitments procedure, subject to any applicable federal or state law or regulation.
