Ms. Kathleen Blonski
 Farmington Town Manager
 1 Monteith Drive
 Farmington, CT 06032-2301

Re: MDC 2020 Rates

Dear Ms. Blonski:

This letter is to notify you of the 2020 charges for the Surcharge Outside the Metropolitan District for Capital Improvements which will affect Farmington approved by the MDC District Board on February 10, 2020.

Two previously completed capital improvement projects in Farmington serve as the basis for calculation of the surcharge; they are the South Road Pump and the Goodrich/East Farmington Association Water Main

The new 2020 monthly charges, by meter size, are indicated on the chart below as well as the 2019 approved charges:

FARMINGTON			FARMINGTON	
			2020	2019
METER SIZE	# METERS	TIMES ALLOCATION RATE EQUALS SURCHARGE AMOUNT FOR CURRENT YEAR	MONTHLY CHARGE	MONTHLY CHARGE
5/8"	595	\$7,628.58	\$ 1.07	\$ 0.74
3/4"	0	\$0.00	\$ -	\$ -
1"	14	\$358.99	\$ 2.14	\$ 2.60
1 1/2"	20	\$1,025.69	\$ 4.27	\$ 12.40
2"	27	\$25,962.81	\$ 80.13	\$ 28.26
3"	9	\$20,193.30	\$ 186.97	\$ 41.96
4"	9	\$34,617.08	\$ 320.53	\$ 119.93
6"	1	\$5,128.46	\$ 427.37	\$ 43.32
8"	4	\$51,284.57	\$ 1,068.43	\$ 4,854.28
10"	0	\$0.00	\$ -	\$ -
12"	0	\$0.00	n/a	n/a
Total	679	\$146,199.49		

MDC's current methodology allocates costs based upon the percentage of hydraulic capacity of each meter size. MDC's 2019 methodology allocated costs based upon actual consumption using the last full prior year's consumption.

The 2019 Capital Improvement Project surcharge for a residential (5/8") meter was \$0.74 per month; it will increase to \$1.07 per month. For higher capacity users (8" meter) the 2019 surcharge was \$4,854.28 per month which will decrease to \$1,068.43 per month in 2020.

If you have any questions or concerns, please feel free to contact me at 860-278-7850, extension 3113.

Sincerely,

A handwritten signature in blue ink, appearing to read "Christopher Levesque", with a long horizontal flourish extending to the right.

Christopher Levesque, P.E.
Chief Operating Officer
