Re: MDC 2020 Rates

Dear Mr. Shanley:

This letter is to notify you of the Surcharge Outside the Metropolitan District for Capital Improvements which will affect Manchester as approved by the MDC District Board on February 10, 2020.

One capital improvement project was completed in Manchester which serves as the basis for calculation of the new monthly charges:

2019 Hillstown Road Water Main - Total Construction Cost \$ 269,536

The 2020 monthly charge, by meter size, is indicated on the chart below:

MANCHESTER		TIMES ALLOCATION RATE	
METER SIZE	# METERS	EQUALS SURCHARGE AMOUNT FOR CURRENT YEAR	2020 MONTHLY CHARGE
5/8"	14	\$408.27	\$ 2.43
3/4"	0	\$0.00	\$ -
1"	2	\$174.97	\$ 7.29
1 1/2"	0	\$0.00	\$ -
2"	0	\$0.00	\$ -
3"	1	\$5,103.39	\$ 425.28
4"	0	\$0.00	\$ -
6"	1	\$11,664.89	\$ 972.07
8'	0	\$0.00	\$ -
10"	0	\$0.00	\$ -
12"	0	\$0.00	n/a
Total	18	\$17,351.53	

MDC's current methodology allocates costs based upon the percentage of hydraulic capacity of each meter size.
