MDC is a non-profit municipal corporation supplying water, wastewater collection and treatment services to its eight member towns:

Bloomfield, East Hartford, Hartford, Newington, Rocky Hill, West Hartford, Wethersfield, Windsor and portions of other towns in the region.

¹ The charge will be the District's cost of material, labor and equipment used, plus overhead at prevailing rates. In circumstances where this procedure for charging a customer would significantly delay the final billing, the District will use an appropriate estimate of its cost.
² First customer service call is free of charge. The \$125 fee will be charged for subsequent calls within a rolling 12 month time period.
