Staff seeks approval from your Board to execute and deliver the Amendment Agreement to the Interim Funding Obligation and/or Project Loan Obligation to the State of Connecticut for CWF 692-C2 dated June 21, 2016 (the "Original Agreement"). The original agreement included a project grant amount of \$140,925,166.05, a project loan in the amount of \$172,230,202.95, and a scheduled completion date of February 28, 2022. The Amendment will amend the project grant amount to \$145,398,122.85, the project loan to \$177,697,150.15, and the Scheduled Completion Date to November 30, 2024. This would be an increase of \$4,472,956.80 in the amount of the project grant portion and an increase of \$5,466,947.07 in the project loan portion over the amounts authorized in the Original Agreement.

The low interest loan and grant will fund the construction of the South Hartford conveyance and storage tunnel and the shaft (the "Project").

The State of Connecticut, through the Clean Water Fund Program, will now provide \$323,095,273 in state funding, which is comprised of \$145,398,122.85 in grants and \$177,697,150.15 in loans to fund the expenses associated with the Project.
