

CONSTRUCTION NOTICE

SEWER SEPARATION PROJECT UPDATE

(Durham Street - Hartford)

The Metropolitan District (MDC) and VMS Construction, have substantially completed the first phase of work of the Sewer Separation Project. Temporary road restoration is in place with final paving of the road and repairs to areas disturbed by construction (sidewalks and driveway aprons) taking place in the Spring.

Please refer to the tables for an update on activities.

Phase I Activity	Status
New Storm Pipe in Road (right of way)	Complete
House Connection Lining from Sewer Main	Complete
Sewer Back up Prevention Program (basement)	On-Going

Phase II Activity	Update
Private Property Connection to New Storm Pipe	MDC will schedule meetings with individual property owners, starting in March, to review these activities
House Connection Renewal/Lining (at building)	

Additional notices will be provided in advance of Phase II activities starting. Work hours will be Monday through Friday, between 7:00am and 5:00pm.

Schedules are subject to change based on weather or unforeseen construction related activities. All MDC Staff, Contractors and Consultants must be properly identified and present ID upon request.
