FINAL ASSESSMENT DECLARED DUE AND PAYABLE
777 MAIN STREET HARTFORD

To: Bureau of Public Works for consideration on March 7, 2016

On November 5, 2015, a preliminary schedule of assessment for the above supplemental assessment was mailed to the property owner. A public hearing was held on November 18, 2015, chaired by Commissioner Vicino. The property owner attended the hearing and spoke in opposition to the supplemental assessment.

District staff and the Commissioners present at the public hearing recommend levying the supplemental assessment.

Subsequent to the public hearing, at a meeting held on December 14, 2015 the Bureau of Public Works ordered publication of a schedule of assessments.

On December 23, 2015, the schedule of assessments was published as ordered by the Bureau of Public Works. An appeal was filed in Hartford Superior Court on January 12, 2016 by 777 Residential LLC. A copy of the schedule of assessments is on file in the office of the District Clerk.

On February 17, 2016 the District Board authorized the Supplemental Assessment. In accordance with Bureau of Public Works policy, the assessments will be billed on March 15, 2016.

It is therefore recommended that it be:

Resolved: That the supplemental assessment for 777 Main Street, Hartford, is declared due and payable to the Assessable Sewer Fund; to direct the District Clerk to publish same on a date to be fixed in a conference with the Treasurer; and to direct the District Clerk to file liens to secure any and all assessments or parts thereof which remain unpaid within the time limit set by law.

Respectfully submitted,

Scott W. Jellison
Chief Executive Officer

On motion made by Commissioner Currey and duly seconded, the report was received and the resolution adopted by unanimous vote of those present.

BRIGHTON PARK PHASE 2, BLOOMFIELD
RELEASE OF RIGHT-OF-WAY

To: Bureau of Public Works for consideration on March 7, 2016
On February 16, 2016, the District received a request from Attorney Thomas M. Daniells of Murtha Cullina LLP, for The Metropolitan District (the “District”) to release an existing sanitary sewer easement within the properties owned by Bloomfield Realty Partners, LLC and Realty Investors VII Bloomfield, LLC (collectively, the “Developer”), as shown on the accompanying map. The purpose of this request is to release the original easement obtained in Phase 1 of this project in order to construct new buildings within the area of such easement.

The Developer intends to install a new sanitary sewer on this property under a Developer’s Permit Agreement for Phase 2 of this project and in January, 2016 granted the District a new 20-foot permanent sanitary sewer easement along the proposed sewer. The original easement was acquired by the District through the Developer’s Permit-Agreement process for Brighton Park Phase 1 on October 3, 2007.

From an engineering standpoint and taking into account the granting of the new 20-foot permanent water easement to the District by Developer, the release of the original easement will not have a negative impact on the wastewater collection system, and no hardship or detriment would be imposed on others.

It is therefore RECOMMENDED that it be

Voted: That the Bureau of Public Works recommends to the District Board passage of the following resolution:

Resolved: That the Chairman or Vice Chairman of the District Board be authorized to execute the release of the original sanitary sewer easement on properties owned by Bloomfield Realty Partners, LLC and Realty Investors VII Bloomfield, LLC, as shown on the accompanying map and as recorded in the Town of Bloomfield land records, Volume 1485, Page 89. The release shall be subject to approval by District Counsel as to form and content.

Respectively submitted,

Scott W. Jellison
Chief Executive Officer

On motion made by Commissioner Adil and duly seconded, the report was received and the resolution adopted by unanimous vote of those present.

ADJOURNMENT
