**APPOINTMENT OF AUDITORS FOR FISCAL YEAR 2014**

**To:** Board of Finance for consideration on November 17, 2014

The financial auditors are appointed annually by the MDC Board of Finance. The MDC has previously solicited competitive proposals from auditing firms with three-to five-year contract periods and has reappointed the incumbent auditor in the interim years, although this practice is not obligatory. The single-year term has been retained so that performance of the auditor may be evaluated annually; with the option of change should the finding be negative.

At the direction of the Audit Committee, a selection panel consisting of MDC staff issued a Request for Services (RFS hereafter) to each of the firms listed as prequalified auditing firms on the State of Connecticut contract. Each of the three prequalified firms submitted proposals to the MDC for consideration and evaluation. Based upon the evaluation criteria contained within the RFS, the selection panel has interviewed each prequalified firm and concluded its evaluation of the submitted written proposals. It is the recommendation of the panel that the firm of Blum, Shapiro & Company be awarded a one-year contract with two one-year options for renewal. Accordingly, it is also recommended that the Board of Finance appoint the firm of Blum, Shapiro & Company, P.C. to conduct the Fiscal 2014 audit.

If, after discussion, it is the consensus of the Board of Finance that the firm of Blum, Shapiro & Company, P.C. be appointed for fiscal year 2014, it may be

**Voted:** That the Board of Finance appoints the firm of Blum, Shapiro & Company, P.C., to audit the financial statements of the Metropolitan District for the year ending December 31, 2014, based upon the hourly rate fee schedule contained within State of Connecticut Department of Administrative Services Contract, not to exceed \$125,000.

Respectfully submitted,

Charles P. Sheehan  
Chief Executive Officer

***On motion made by Citizen Member Mulready and duly seconded, the report was received and the resolution adopted by unanimous vote of those present.***

**FISCAL YEAR 2015 - TAX ON MEMBER MUNICIPALITIES**

To: Board of Finance for consideration on November 17, 2014

A Fiscal Year 2015 Tax Levy on The Metropolitan District's member municipalities in the amount of \$37,946,400 is recommended in support of the proposed 2015 budget. In accordance with the District Board's policy, taxes may be paid in quarterly installments. To coincide with the fiscal year cycle (July 1 – June 30) adhered to by the member municipalities, the quarterly tax payments are unbalanced. The amount of the tax due in the first half of 2015 will be equivalent to 50% of the total 2014 tax levy. This amount (when paid) will be subtracted from the total 2015 tax levy: the balance is the amount due in the second half of the year.

Apportionment of the Fiscal Year 2015 tax among the member municipalities and the amount due on each installment will be as follows:

**FISCAL YEAR 2015 - REVISIONS TO DISTRICT SEWER USER CHARGE RATES AND OTHER RELATED CHARGES**

To: Board of Finance for consideration on November 17, 2014

In accordance with Section S12j of the District's Ordinances, sewer use unit charge rates shall be determined annually in conjunction with adoption of the District Budget. The 2015 budget in support of sewer operations calls for a sewer user charge rate of \$2.75, which is 4.96% higher than the prior year.

Following the cost trends for the sewer user charge rate, it is recommended the BOD and COD rate be increased to \$0.33 per pound respectively. In addition, the suspended solids strength charge will increase to \$0.27 per pound. These unit charges, which apply to high flow users, low flow/high strength users and non-municipal tax-exempt users, are for the following:

1. Liquid flow charge rate based on sewer flow in hundreds of cubic feet (CCF).
2. a. BOD (biochemical oxygen demand) strength charge rate based on pounds of BOD for the concentration of BOD exceeding 300 milligrams per liter (mg/l).
- b. COD (chemical oxygen demand) strength charge rate based on pounds of COD for that concentration of COD exceeding 700 mg/l.
3. Suspended solids strength charge rate based on pounds of suspended solids for that concentration exceeding 300 mg/l.

In accordance with Section S12p of the District's Ordinances, sewer user charge Late Filing/Sewage Evaluation Fees shall be determined in conjunction with adoption of the District Budget. The 2015 budget in support of sewer operations calls for determining the late filing/sewage evaluation fees as follows:

Certification Statement  
Late Filing Fee

\$250.00

Sewage Evaluation

Fee for each sewer discharge point the District samples and performs laboratory analyses on the effluents obtained therefrom due to such default by a user

Actual cost  
+ overhead

Additionally, in accordance with Section S12x of the District's Ordinances, the special sewer service charge primarily for payment of principal and interest on certain bonds and loans which proceeds are used to finance the costs associated with the Clean Water Project. The special sewer service charge is set annually in conjunction with adoption of the District Budget. Effective January 1, 2015, said charge shall be \$2.90 per hundred cubic feet (ccf) to be uniformly applied and to be proportional to the quantity of water used by District customers who utilize the District sewer system and are furnished water directly by the Metropolitan District. The special sewer service charge shall appear separately on the water bills of the District.

**Remediated Groundwater Charges:** A maintenance fee is required as part of the approval from MDC for acceptance of the discharge of remediated groundwater to the sanitary sewer. This fee is associated with the review and analysis of the permit application, location of the discharge and operational requirements to manage the groundwater at the wastewater treatment facility.

**FOG Charges:** Fees are charged to Class III and IV food service establishments to offset the costs of managing the Fats, Oils and Grease (FOG) program. This program is required by the CT Department of Energy and Environmental Protection General Permit for the Discharge of Wastewater Associated with Food Preparation Establishments.
