To: District Board

June 5, 2023

From: Board of Finance

At a meeting of the Board of Finance held on May 31, 2023, it was:

VOTED: That the Board of Finance recommends to the District Board adoption of the following resolution from Bond Counsel.

BE IT RESOLVED:

SECTION 1. The Metropolitan District (the "District") General Obligation Bonds (the "**Bonds**") in an amount not to exceed \$90,000,000, are hereby authorized to be issued to: (a) fund Capital Improvement Projects (the "Projects") and (b) pay certain costs of issuance for the Bonds. The Bonds are authorized to be issued to fund such portion of the authorized and unissued balances of the capital appropriations contained in certain bond resolutions adopted to finance capital budget items enacted by the District Board, and for such Projects as determined by the Chairman, or in his absence, the Vice Chairman, and the District Treasurer, or in his absence the Deputy Treasurer (the "**Authorized Officers**"). Proceeds of the Bonds shall be used to finance the expenditures for any of the purposes or Projects and for any supplemental purposes or projects the Board of Finance and the District Board may from the date hereof authorize to be financed by the issuance of bonds.

SECTION 2. The Bonds shall be dated on or about August 10, 2023. The Bonds shall have maturity dates in accordance with the Connecticut General Statutes, as amended, and shall bear interest payable semiannually each year until maturity and be issued in fully registered form. The Bonds shall be payable at and certified by U.S. Bank Trust Company, National Association, which bank shall also serve as registrar and transfer agent for the Bonds. The Bonds may be sold as a single issue or consolidated with any other authorized issues of bonds of the District. The Bonds shall be sold by the District Treasurer, or in his absence, the Deputy Treasurer, in one or more competitive offerings or negotiated offerings, in the discretion of the District Treasurer, or in his absence, the Deputy Treasurer. If sold in one or more competitive offerings, the Bonds shall be awarded to the bidder or bidders offering to purchase the Bonds at the lowest true interest cost to the District, and in no case for a sum less than par and accrued interest to the date of delivery, and the District Treasurer, or in his absence the Deputy Treasurer, is hereby authorized to determine the principal amount to be issued, the principal amount to mature in each year, the optional redemption date(s) and redemption premium(s), if any, and the rate or rates of interest on the Bonds, and deliver the Bonds to the purchaser(s) thereof in accordance with this resolution. If sold in one or more negotiated offerings, the Authorized Officers are authorized to negotiate, execute and deliver one or more bond purchase agreements for the Bonds setting forth all the terms and conditions of the sale in such form as they shall deem necessary and appropriate, and deliver the Bonds to the purchaser(s) thereof in accordance with this resolution.

SECTION 3. The Bonds shall be executed in the name and on behalf of the District by the manual or facsimile signatures of the Authorized Officers, bear the District seal or a facsimile thereof, and be approved as to their legality by Shipman & Goodwin LLP, Bond Counsel to the District. The Authorized Officers are authorized to execute and deliver a Tax Certificate and Tax Compliance Agreement on behalf of the District in such forms as they shall deem necessary and appropriate, and to rebate to the federal government such amounts as may be required pursuant to the Tax Certificate for the purpose of complying with the requirements of the Internal Revenue Code of 1986, as amended. **PERSONNEL, PENSION AND INSURANCE COMMITTEE
PENSION INVESTMENT REALLOCATION**

To: District Board

June 5, 2023

From: Personnel, Pension and Insurance Committee

Dahab Associates presented the March 2023 Performance Review of the pension portfolio of investments to the PP&I Investment Subcommittee on May 19, 2023, and made the following reallocation recommendations:

1) LARGE CAP EQUITY – Transfer investments in AQR and Wellington to Fidelity S&P500 Index fund

CONSIDERATIONS

- As of March 2023, Large Cap Equity investments represented the largest asset category of the entire portfolio, 31.4% or \$76.6 million of \$244.3 million
- Large Cap Equity funds are presently invested in AQR, \$24.3 million; and Wellington, \$52.3 million
- Total performance of the combined Large Cap investments, net of management fees, have trailed the S&P 500 Index fund in all the below measured periods, except 1-year when it equaled the index, as follows:

PERFORMANCE SUMMARY					
	Qtr / YTD	1 Year	3 Year	5 Year	Since 03/13
Large Cap Equity - Net	5.7	-7.7	17.2	9.4	11.7
S&P 500	7.5	-7.7	18.6	11.2	12.2

RECOMMENDATION

- Move investments from the current actively managed funds to Fidelity S&P Index fund for greater returns and lower costs. Several companies offer an S&P Index fund; however, Fidelity is the lowest cost provider.

2) INTERNATIONAL EQUITY -- Transfer investments in Lazard to Hardman Johnston

CONSIDERATIONS

- As of March 2023, International Equity investments represented 14.0% or \$34.1 million of \$244.3 million
- International Equity funds are presently invested in Lazard, \$13.0 million and Hardman Johnston, \$21.1 million
- Total performance of the combined International Equity investments, net of management fees, have trailed the MSCI EAFE Index in all the below

measured periods, except the most recent quarter when it beat the index by one tenth of one percent.

PERFORMANCE SUMMARY					
	Qtr / YTD	1 Year	3 Year	5 Year	Since 03/13
International Equity - Net	8.7	-2.2	12.0	3.6	4.5
MSCI EAFE	8.6	-0.9	13.5	4.0	5.5

RECOMMENDATION

- Transfer the investments in Lazard that has trailed the index in all the reported periods to Hardman Johnston which has outperformed the index in all but the 1-year period. Lazard's investment focus is value based and Hardman Johnston is growth based. The diversity provided by the International Equity portion of the portfolio will remain with this transfer along with an expectation of stronger results from the growth focused investments.

VOTED: That the Personnel, Pension and Insurance Committee recommend to the District Board passage of the following resolution:

RESOLVED: The pension fund's large cap investments in AQR Capital Management and Wellington be terminated and the money be transferred to Fidelity S&P500 Index Fund; and
