APPOINTMENT OF AUDITORS FOR FINANCIAL AUDIT SERVICES FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012-Report 4.

To: Board of Finance for consideration on January 7, 2013

The auditors are appointed annually by the Board of Finance. As a matter of practice, the District Board has previously solicited competitive proposals from auditing

firms with three-to five-year intervals and has reappointed the incumbent auditor in the interim years, although this is not obligatory. The single-year term has been retained so that performance may be evaluated annually; with the option of change should the finding be negative.

Staff has done research and found that the State of Connecticut has a contract that is open to using agencies and political subdivisions for the "government contract accounting and auditing services to state agencies, municipalities and not for profits." Blum Shapiro, the District's current auditor of record, is identified on the list under this State of Connecticut contract which is enforced through April 30, 2014. At this time, staff is recommending, for Fiscal Year 2012, the Board of Finance utilize the State of Connecticut contract to appoint Blum, Shapiro & Company, P.C. for this one year audit period.

If it is the consensus of the Board of Finance that the incumbent auditors be reappointed for fiscal year 2012, it may be

Voted: That the Board of Finance appoints the firm of Blum, Shapiro & Company, P.C., to audit the financial statements of the Metropolitan District for the year ending December 31, 2012, based upon the hourly rate fee schedule contained within State of Connecticut Department of Administrative Services Contract, not to exceed $125,000.00.

Respectfully submitted,

Charles P. Sheehan
Chief Executive Officer

On motion made by Citizen Member Mulready and duly seconded, the report was received and resolution adopted by unanimous vote of those present.

DEBT ISSUANCE FOR GENERAL OBLIGATION BONDS-NOT EXCEEDING $58,928,000-Report 5.

To: Board of Finance for consideration on January 7, 2013.

Staff is seeking authority for the District to issue up to $58,928,000 in new general obligation bonds that will refund $58, 928,000 in existing bond anticipation notes due on February 14, 2013, to be divided into two series, Series A for CIP projects and Series B for the District Clean Water Project.

Bond counsel prepared the following resolution for consideration by the Board of Finance:

It is therefore RECOMMENDED that it be:

Voted: That the Board of Finance recommends to the District Board passage of the following resolution:

RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF NOT EXCEEDING $58,928,000 IN GENERAL OBLIGATION BONDS OF THE METROPOLITAN DISTRICT

Not exceeding $58,928,000 Metropolitan District General Obligation Bonds (the "Bonds") are hereby authorized to be issued in two series, Series A for capital improvement projects and Series B for the District Clean Water Project, to currently refund up to $58,928,000 Bond Anticipation Notes of the District maturing February 14, 2013(the "Outstanding Notes") and to fund such portion of the authorized and unissued balances of the capital appropriations contained in certain bond resolutions adopted to finance capital budget items enacted by the District Board in the years and in the amounts set forth on Exhibit A hereto attached. Proceeds of the Bonds not used to refund the Outstanding Notes shall be used on a first-spent basis to temporarily finance the expenditures for any of the purposes or projects set forth on Exhibit A and for any supplemental purposes or projects the Board of Finance and the District Board may from the date hereof authorize to be financed by the issuance of bonds. The Bonds shall be dated February 1, 2013, and shall mature on February 1 in each of the years 2014 through 2033, bearing interest semi-annually each year until maturity (the "Bonds"). The Bonds shall be payable at and certified by U.S. Bank National Association, which bank shall also serve as registrar and transfer agent for the Bonds. The Bonds shall be sold by the District Treasurer, or in his absence, the Deputy Treasurer, in a competitive offering and shall be awarded to the bidder or bidders offering to purchase the Bonds at the lowest true interest cost to the District, and in no case for a sum less than par and accrued interest to the date of delivery. The District Treasurer, or in his absence the Deputy Treasurer, is hereby delegated the authority to determine the principal amounts to be issued as Series A and Series B, the principal amount of each series to mature in each year, optional redemption date(s) and redemption premium(s), if any, the rate or rates of interest on the Bonds, and to deliver the Bonds to the purchaser(s) thereof in accordance with this resolution. The Chairman and the District Treasurer, or in his absence, the Deputy Treasurer, are authorized to execute and deliver a Tax Regulatory Agreement for the Bonds on behalf of the District in such form as they shall deem necessary and appropriate, and to rebate to the Federal government such amounts as may be required pursuant to the Tax Regulatory Agreement for the purpose of complying with the requirements of the Internal Revenue Code of 1986, as amended. The Chairman and the District Treasurer, or in his absence, the Deputy Treasurer, are authorized to execute and deliver a Continuing Disclosure Agreement and any and all agreements and documents necessary to effect the issuance and sale of the Bonds in accordance with the terms of this resolution.

Respectfully submitted,

Charles P. Sheehan

CAPITAL IMPROVEMENT PROJECTS-REALLOCATION OF FUNDING & ADDITIONAL APPROPRIATIONS-Report 4.

To: Board of Finance for consideration on June 3, 2013

The Metropolitan District is eligible to receive grants and loans from the State of Connecticut for certain capital projects through the Department of Public Health (DPH) and/or the Department of Energy and Environmental Protection (DEEP). The DPH provides funding for water related projects and DEEP provides funding for sewer related projects. A number of District projects receive grants and/or loans from both DPH and DEEP for combined sewer and water projects.

Recently, the District was awarded DPH funding for the water main work associated with the Farmington 7.2 and Franklin 13 clean water projects. Therefore, the split between the sewer and water costs requires the reallocation of funding and due to the change in funding splits additional appropriations for the water projects is required.

At this time, staff recommends the following:

That the 2012 CWP Water Main Rehabilitation – Fennway Street, West Hartford Project appropriation be increased by $223,000;

Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on such notes or certificates of indebtedness then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Section 4. The Chairman and the Treasurer are authorized in the name and on behalf of the District to apply for and accept any and all federal and state loans and/or grants-in-aid for the project and are further authorized to expend said funds in
